

Permit Fee Schedule  
Forest Township  
Becker County, Minnesota

Permit application forms may be obtained from Forest Township Clerk or downloaded from the Forest Township website - foresttownshipmn.net. This procedure must be followed by all property owners who undertake construction in the Forest Township Conservation District. The Conservation District is all property not included in the Shoreland District. The Shoreland District is the first tier of riparian property and is measured from the OHWL (ordinary high water level) landward 267 feet on a recreational development lake, 400 feet on a natural environment lake, and 300 feet on all river classes.

Completed Applications and fee should be sent to Forest Township Clerk for presentation to the Forest Township Board and Zoning Supervisor. The designated Supervisor will contact the applicant to set up a site visit.

**Fees:**

Dwelling units including additions, attached garages	\$100.00
All other buildings including decks and open porches	\$50.00
Variance	\$250.00
Conditional Use Permits	\$250.00

**After the Fact permits, if granted,** will be 3 times the appropriate permit fee.
